PRODMASH.HOLOD.UPAK 2010

6th International Specialized Exhibition for Food Processing

The Market

The Republic Belarus lays at the eastern border of the EU neighbour to the other markets in Russia and Ukraine. Thereby the country with its 10 million inhabitants has a geographical benefit as link between the Western and Eastern economic regions. A good developed infrastructure as well as the economical strength compared to other GUS States and the outstanding rates of growth which were achieved in the last ten years makes Belarus an attractive business partner.

The Exhibition

The agriculture and food industry in the Republic Belarus is suffering under a modernisation strait especially the processing industry. With the raise of income and economical activities in Belarus the demand for food stuffs and quality increases. The Belarusian Government seeks to secure jobs and net product in their own country. Furthermore the existing technology is not up to date. This makes it a necessity that the Belarusian food industry is renewed that more domestic products can be processed.

The exhibition ProdMash.Holod.Upak is the only international exhibition for the processing industry in Belarus and includes all fields of the food processing industry. Here you can present your machinery to a specialized audience and official representatives to be able to export machinery and equipment.

5. Participation Fees

If not specified differently in the description of services for the exhibition, apart from all general services such as general organization of the exhibition, extensive visitor promotion, general security, cleaning of the aisles in the halls etc., the participation fee covers the standard fittings and equipment :

- stand carpeting
- partition walls 2,5 m high, white
- 1 table, 3 chairs
- 1 spotlight / 100 W per each 3 sqm of stand area
- 1 electric socket 220V, 1kW
- 1 info-counter
- 1 standard company sign

All charges are net exclusive of value-added tax. Value-added tax, if applicable, is to be paid separately. Prime booth locations, i.e. with two, three or four open front sides, are subject to additional charges per squaremeter as specified in the registration form to be submitted.

6. Registration

Registrations will only be accepted if the attached form is completed in full, accepting these conditions of participation, with legally binding signature. The completed form is to be addressed to: **IFWexpo Heidelberg GmbH,**

Landfriedstr. 1a, D-69117 Heidelberg

Any conditions attached to the registration by the signing company will not be accepted. Requests for particular locations which will be considered as far as possible, but do not constitute preconditions for participation. No guarantee is given in respect of the presence of competitors. Registration alone does not constitute acceptance by the Organizer. Legally binding registration is not considered to have been effected until it has been received by the Organizer, and it is binding until it has been accepted or definitely refused.

7. Acceptance

No legal right to acceptance exists. Exhibitors which do not meet their financial obligations towards the company

organizing the exhibition or which have contravened these conditions can be excluded from acceptance. In case of overbooking the right of selection is reserved. Acceptance of exhibitors will be confirmed in writing and is only valid for the exhibitor named in the letter of confirmation. The contract between exhibitor and Organizer becomes valid with the mailing of the acceptance. The Organizer is entitled to withdraw acceptance if it was given on the basis of false premises or the preconditions of acceptance are subsequently no longer applicable.

8. Allocation and Change of Allocation

Should the allocated area not be available for reasons beyond the Organizer's control, the exhibitor is not entitled to reimbursement of the participation charge. No right to claim damages exists.

Giving reasons, the Organizer may, if circumstances should so dictate, allocate a location other than the one stated in the acceptance or alter **the size of the stand by a maximum of 15 p.c.**

Partition walls, columns and projections, as well as hydrants, fire extinguishers, etc. are considered part of the allocated stand and it is the exhibitors duty to inform himself on size and location of the above mentioned. No reclamations are accepted after finishing of setting up. Reclamations have to be submitted at least 3 days before the opening of the exhibition in written form to the Organizers. No compensation may be claimed, even in case of errors of allocation.

9. Terms of Payment

On acceptance the exhibitor has to pay the full charge for the rented exhibition space. Any complaints must be made in writing immediately on receipt of the invoice. Objections raised at a later date cannot be considered. The invoice on space rental is due to payment within 4 weeks, but at least until the official registration deadline. Any invoice dated later than the official registration deadline is due to immediate payment. Please remit your deposit quoting invoice number and name of the exhibition to the bank account of:

IFWexpo Heidelberg GmbH

Commerzbank AG

Acct.No. 19 20 800 00 / Bank code 672 400 39

The full fee for participation has to be paid to the a.m. account, bank fees for money transfer cannot be deducted from payment due as specified in the invoice. In the case of late payment on the part of an exhibitor (also in cases of space not fully paid for) the Organizer is entitled to withdraw availability of the entire space authorized and dispose of it at his discretion. In case of late payment interest of 8 p.c. on top of the Deutsche Bank interest rate valid at this moment is charged. Exhibitors- and Setting-up passes are only handed out after full payment of stand rental and all other fees. The Organizer is entitled to withhold equipment and exhibits of the client and sell it after written notification to cover the expenses, if payment has not been effectuated within the period settled.

10. Co-exhibitors and Joint Stands

Without the consent of the Organizer, exhibitors are not permitted to make available all or parts of the stand allocated to them to third parties either in return for payment or free of

charge. No advertising or promotion of firms not named in the acceptance is permitted on the stand.

Applications for the inclusion of a co-exhibitor must be made to the Organizer in writing. A co-exhibitor fee as stipulated in the special conditions for each single event will be payable to the Organizer. In all cases the exhibitor which is the registered user of the stand is liable for payment of the co-exhibitor fee. The co-exhibitor is subject to the same terms and conditions as the main exhibitor. The Organizer may authorize large joint stands of exhibitors, provided that they can be incorporated into an appropriate subdivision of the exhibition. All regulations apply to each exhibitor. If a stand is allocated to two or more firms jointly, each firm is liable for the total fee towards the Organizer. Firms exhibiting on a joint basis should name a joint representative in their registration.

11. Cancellation or Non-Participation

Cancellation of the registration is possible prior to its acceptance. The cancellation fee is Euro 800.-- plus value-added tax. After acceptance no cancellation or reduction of the area of the stand on the part of the exhibitor is possible. The entire participation charge and costs which have actually been incurred are payable. The restructuring of unused space by the Organizer to maintain the overall visual impression does not release the exhibitor from its obligation to pay. Should an exhibitor choose not to occupy stand space allocated to him and the Organizer be in a position to rent this space to another party (not in case of restructuring occupancy), the exhibitor will be liable for 25 p.c. of the participation charge or the sum stated above as a minimum. In the case of non-participation on the part of a co-exhibitor, the full amount of the co-exhibitor fee shall be payable.

12. Exhibition Catalogue

The Organizer will issue an official exhibition catalogue. The standard entry to the catalogue is obligatory and exemptions cannot be made. The standard entry consists of the company's name, full address, phone, fax and e-mail. This regulation also applies to sub-exhibitors. The cost for the catalogue entry shall be charged according to the specifications on the adjoined sheet for each exhibition.

13. Liability and Insurance

It is the responsibility of the exhibitor to insure the goods exhibited against all risks in connection with transport, setting-up and dismantling and during the exhibition, in particular against damage, theft etc. The exhibitor shall be liable to compensate the Organizer for any damage caused by him to the exhibition space rented, stand material, electricity, water and sewerage systems or any other property of the Organizer. The Organizer does not accept any liability for loss of or damage to the goods exhibited or other valuables which belong to the exhibitor, his representatives or persons employed or invited by him, including loss or damage due to water, fire, explosion, whirlwinds, lightning, flooding or other instances of force majeure, damage or injuries inflicted on the exhibitor, his representatives and other persons employed by him or invited by him, irrespective of the cause of such injuries or damage.

In particular the Organizer accepts no liability for damage to exhibition goods or their removal in cases in which use was made of the decorating department. With his acceptance of the conditions of participation the exhibitor explicitly releases the Organizer and firms acting on his behalf from any rights of recourse whatsoever on the part of third parties. No right to claim damages exists.

14. Circular Letters

The exhibitors will be informed by the Organizer by circulars of details concerning the preparations and running of the exhibition. The Organizer does not accept any liability for any consequences of disregarding these circulars.

15. Transport

Transport on the exhibition grounds will be undertaken by a firm appointed by the Organizer. Accordingly this firm will take over transport of objects delivered by the exhibitor or its forwarders at the boundary of the exhibition grounds and continue their transport on the exhibition grounds. The exhibition management will not accept delivery of any consignments and does not accept any liability for loss or incorrect delivery. The costs for these transports on the exhibition grounds are to be paid by the exhibitors to the transport firm directly.

16. Reserved Rights

In the case of important reasons beyond his control the Organizer has the right to postpone the exhibition, to curtail or prolong it, to close it for certain periods, to close it completely or in part, or to cancel it. In such justified exceptional circumstances, as in all cases of force majeure, the exhibitors do not have any right to withdraw or adjust the participation charges, nor do they have any right to claim any damages. Should the exhibition not take place for the reasons stated above, the exhibitor can be called upon to pay up to 25 p.c. of the participation charge to cover general costs. Larger individual sums can only be charged if the exhibitor has ordered additional services for which charges are made. Should the Organizer be responsible for the cancellation no sums shall be owed. No right of compensation exists.

17. Limitation Period

All claims of the exhibitors against the Organizer shall be in lapse after a six-month period. The limitation period begins to run from the end of the month in which the final day of the exhibition fell.

18. Final Provision

With his registration for participation the exhibitor accepts in full as legally binding these conditions of participation as well as the house and ground rules in force at the exhibition venue. Additional agreements, special permissions or other kinds of arrangements require the written consent of the Organizer.

19. Partial Inoperativeness

Should parts of the present conditions of participation should be or become inoperative, this will not touch the remaining parts of the conditions of participation. Any inoperative part of these conditions shall be replaced by a regulation that respects the aims and the reason of these conditions.

20. Legal Right Applicable

The law of the Federal German Republic is applicable excluding the standardized UN commercial law.

21. Performance and Venue

Place of performance and venue in respect of all obligations of both parties is Heidelberg. The laws of the Federal Republic of Germany are applicable. The Organizer reserves his right to choose the venue of the law suit.
